Introducing the easy-to-use Price Tag Tool

Tools2Win® simplifies the process of retagging the showroom floor with 3 easy steps: SCAN, PRINT, and REPLACE. This program enables retailers to retag their floor in a fraction of the time saving time and money. **Tools2Win® runs on top of a retailer's Point-of-Sale system (Storis, Profit, Myriad, & Furnserve), turning data into actionable information."**

Custom Price Tags That Match Each Promotion

Used as an Extension of a Retailer's Marketing Efforts

Increased Margins and Easy to Adapt to Vendor Price Changes

All you do is scan the price tags on your floor, with the scanner, choose the price tag that matches your event, including financing, and print. We can change our price tags in about 3 hours, before it took almost 2 days to retag.
